

A Good Old-Fashioned Ground Raising
September 30
Starting at 8:00 AM

We will have a ‘good old-fashioned’ ground raising around the perimeter of the church. The ground needs to be raised to avoid flooding.

We need several people – men, women and children - to help out starting at 8:00 AM until the job is done (4-5 hours). We will also need some equipment: 2 wheelbarrows and 2 garden rakes (to level the soil).

For questions and to volunteer, please contact Bob McGann at mcgannjr@gmail.com or (540) 273-0592.

**This is an opportunity to have a
real and visible impact on our church!
Please help!**
