

## The Holiday Food Basket project is gearing up!

**The Holiday Food Basket Project** is part of our *Food Pantry Outreach Ministry*. Twice a month our all-volunteer Food Pantry serves 80 to 110 families. We provide basic grocery items as well as fresh fruits and vegetables, meats, bread and pharmacy items.

**The Holiday Food Basket** project serves all of our Food Pantry clients. Food baskets are distributed to our clients for both Thanksgiving and Christmas. We estimate 130 to 140 families will sign up for Baskets.

We need your help! This all-important Ministry cannot function without volunteers.
