

Annual Parish Meeting and Pot Luck Luncheon
January 21st All Saints Hall
Following the 10:30 Service

On January 21 Christ Church will hold our annual congregational meeting and luncheon following the 10:30 service. **Everyone** who attends Christ Church is strongly encouraged to attend this important meeting.

The meeting will serve two purposes: Annual reports and a Search Committee exercise.

Annual reports will be presented by Commission Chairs while we have lunch. Following lunch, the Search Committee, with the assistance of the Vestry, will lead us through a brief exercise in small groups. The purpose of this exercise is to help the Search Committee discern your views on several topics. The information collected from this exercise will be used to help the search process. The Search Committee is also preparing a survey that will be used in the search as well. We will hear more about the survey at the meeting.

If you have any questions, please contact Allen Bareford (abareford@fre.idc.virginia.gov).

See you at the meeting on January 21st
