

Lenten Program: "Lessons from the Upper Room"
Friday evenings, starting March 8 – April 12
Pot Luck: 6:00 – 6:30; Program: 6:30 – 7:30

The day before His crucifixion, Jesus shared His heart with His disciples. In what is commonly known as the Last Supper, or the Upper Room/Farewell Discourse of John 13-17, He announced His betrayal and denial; foretold His death, glorification, and departure from this world; promised the coming Holy Spirit; and prayed in preparation for all that was going to take place. We'll be exploring these and other events within our own context, as well as in the context of the Gospel according to John.
